BUILT FOR THE WORK AHEAD

The **MPT91** is Continental's next generation Multi-Purpose Tire (MPT), designed for demanding on/off-road applications. It builds upon the proven performance of the **MPT81** while incorporating design enhancements focused on speed, durability, traction, and overall value.

Developed to meet evolving customer demands, the **MPT91** was built for higher speed rating, longer tire life, enhanced performance, and lower total operating cost in severe-service applications.

APPLICATIONS

3

OVERLANDING • CUSTOM BUILDS

PATH

For those who don't follow roads, they make their own. Designed for overlanders and adventurers pushing beyond the pavement. Remote off-road terrain mixed with on-road.

POLICE • MILITARY • UTILITY MUNICIPAL

SERVICE

Driven by those who keep communities running. From utility fleets to service trucks, dependable performance is needed across varied routes.

BUILT FOR THE AHEAD

CONSTRUCTION • CUSTOM BUILDS

WORK

Engineered for the crews who are up early and stay late. From construction sites to mixed-surface jobs to handle the daily grind. On road, off-road, and everything in between..

EMERGENCY VEHICLES BRUSH TRUCKS • RESCUE VEHICLES

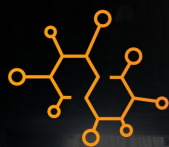

RESCUE

Engineered for those who run toward the challenge. Whether it's brush trucks, rapid-response units, or emergency fleets, performance is needed when seconds matter and terrain can't be predicted.

FEATURES & BENEFITS

NEW COMPOUND

IMPROVED ON-ROAD
PERFORMANCE

STEEL REINFORCEMENT

HIGH LOAD
OPTIMIZED

+13 MPH

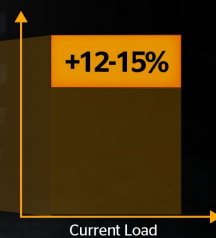

(68 to 81 mph)

HIGH-SPEED
RATED CARCASS

*included with M rated version

+12-15% LOAD CAPACITY

*included with K rated version
